DETAILED ACTION

Election/Restrictions

The amended claims 1-20 and 25-27 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the original filed claims are directed to composition claims. Composition and method are different categories, as evident by applicant's argument disclosed at page 9 of the Remarks dated 11/22/05.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1-20 and 25-27 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

The reply filed on 11/22/05 is not fully responsive to the prior Office Action for the above reason. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
